

# COLORADO PATH4EMS

Path4EMS is a free and confidential resource exclusively for certified and licensed Emergency Medical Service providers in Colorado.

Path4EMS helps you or your colleagues and friends find the path forward when confronting personal issues and behavioral health concerns.

## FREE SERVICES

These services are tailor-made for Colorado by experienced medical and behavioral health professionals in collaboration with EMS providers.

### Counseling

Six free and confidential counseling sessions to address everyday issues in your life.

### Wellness Coaching

Four telephonic professional wellness coaching sessions to help you reach your wellness goals.

### Online Resource Library and Training Center

Comprehensive online resource with thousands of articles, self-help and resilience tools, interactive training, access to a mindfulness app, and more.

Visit [Path4EMS.org](https://Path4EMS.org) and click on the online resource library to register using the company code **path4ems**.

### Work/Life Referrals

Unlimited telephonic referrals for everyday services to save you time and energy.

### Legal and Financial

Legal and financial services including free 30-minute consults, network service discounts, and financial counseling.

### How It Works

Path4EMS can connect you to services in your community, including referrals to local Peer Support.
