

# PATH4EMS

*A free and confidential resource for **Colorado's** EMS Professionals*

## Counseling

EMS professionals can access free and confidential counseling services, choosing from a number of program service providers throughout the state.

## Resource Connections

Our resource pool is designed to help facilitate access to support services when needs arise. If your organization has the ability to help, please let us know so that we can include you in our resource pool.

## Education & Training

On our website, you can find various education and training opportunities offered by responder centered programs. Some of these include options for financial assistance. We can also help with specific questions and unique training needs.

## Program Partners

Path4EMS has working relationships with a growing number of programs and organizations dedicated to the wellbeing of EMS professionals, creating additional avenues of support and links to countless resources.

**For immediate assistance, please call Colorado Crisis Services at 1-844-493-8255**
